

Subject: Port of Garibaldi Information Booth

We would like to take this opportunity to unveil our new information booth at the Port of Garibaldi on May 22th at 1pm.

By having an information booth at the Port of Garibaldi, we will be working with local and state agencies to better educate visitors to the area as well as other areas of Tillamook County. This will also offer sufficient information that no visitor as well as boater should leave uninformed of the vast range of opportunities available throughout the City of Garibaldi and the surrounding cities. This information booth will carry generic Tourism Program literature and maps about attractions and services countywide. This will include county parks, bike trails, community events, etc. The booth will serve to help maintain diversity by placing added emphasis on local services and points of interest of the area.

The grant was awarded by the Tillamook County Board of Commissioners through a transient lodging tax(TLT) grant.

Please RVSP by email or call the port office at 503/322-3292 by May 18th.
